Feedback process

Whether satisfied or not with any aspect of the service you've received, or you simply want to Ask a Question or Air Your Views about BWB operations and/or longer-term Wheelchair Basketball developments, then we want to hear from you!

At BWB we operate a robust and thorough customer care feedback process, which gives you opportunities to discuss any issues or concerns you may have.

BWB commit to host a National Conference each year to allow members to speak in a forum and raise suggestions for the development of the sport.

The process for feedback is below:

If there is a failure to respond within the given timeframe people are asked to write to that member or staff/official/Executive member to remind them of your enquiry.

If you fail to get a reply please contact the Chief Executive. If the request was made to the Chief Executive please contact the Chairman. If the request was made to the Chairman please contact the Vice Chairman.

Please remember that staff, officials and Board Members often taken leave or have difficulties with email and the failure to respond may not be (whilst it may feel it is) due to 'not being bothered' or 'avoiding the issue'. BWB will always endeavour to respond courteously and promptly.

BWB reserve the right to not respond to abuse or repetitive questioning if it is considered to not be in the interest of the sport. An example would be repetitive questioning on matters already dealt with.
