# Introduction

The aim of this document is to improve and standardise the mechanics of table officials at all levels with regards to completing the Basketball England Traditional Scoresheet, Basketball England Running Scoresheet, and the International Scoresheets used by FIBA and IWBF.

This document also aims to give table officials a thorough understanding of the scoresheet through both simple and more complex scenarios which will prepare a scorer for any situation that may occur during a game.

## Pre-notes

Section B of the FIBA and IWBF Rule Books outline the regulations for completing the international scoresheets; the FIBA Table Officials Manual 2017+ Version 5.0 gives additional instructions for completing the scoresheet and the wider role of the Table Officials; finally, the Basketball Table Official Mechanics Manual outlines additional information relating to the role of the Scorer, this manual should be read in conjunction with these documents.

There are a number of different example games contained in this manual. Each example contains a play-by-play record of the game, a completed Basketball England Traditional Scoresheet, a completed Basketball England Running Scoresheet and an additional notes section which explains the process behind completing specific scenarios within each scoresheet.

There is also an example of a completed FIBA International Scoresheet and an example of a completed IWBF International Scoresheet. A FIBA Digital Scoresheet version is also included for each example.

Each example assumes the knowledge from all of the previous examples, so example Scoresheet 2 assumes the knowledge from Example 1 etc.

The coach shall also inform the scorer of the captain. This is recorded by inscribing '(CAP)' after the player's name.

At this time the Coach shall check the information has been entered onto the scoresheet correctly. Once satisfied he shall sign the scoresheet next to his name.

Should overtime be required, all of overtime shall be completed using the **Dark Colour** as overtime is considered a continuation of the 4<sup>th</sup> quarter.

# Which Scoresheet Will I Be Using?

All four formats of the scoresheet are used in Britain. The table below shows which format is used at different levels of the game.

Level of Game	Scoresheet(s) Used
FIBA International Games & Tournaments	FIBA Scoresheet or FIBA Digital Scoresheet (DSS)*
IWBF International Games & Tournaments	IWBF Scoresheet
British Basketball League (BBL)	BE Running Scoresheet
Women's British Basketball League (WBBL), Basketball England Senior National League (Men's Divisions 1-4 & Women's Divisions) & Basketball Wales Regional Leagues	BE Running Scoresheet or BE Traditional Scoresheet. <i>Often if there is statistics provision at the game the BE Running Scoresheet is used, if this isn't the case then the BE Traditional Scoresheet is generally used. This is at the discretion of the Home Club.</i>
Basketball England Junior National Leagues	BE Traditional Scoresheet. <i>The BE Running Scoresheet can be used. This is rarely the case. This is, however, at the discretion of the Home Club.</i>
British Wheelchair Basketball Senior National Leagues & Women's Leagues	BE Running Scoresheet or BE Traditional Scoresheet. <i>This is at the discretion of the Home Club.</i>
British Wheelchair Basketball Junior League	IWBF Scoresheet or BE Traditional Scoresheet
Local Leagues	BE Traditional Scoresheet. <i>The BE Running Scoresheet can be used. This is rarely the case. This is, however, at the discretion of the local league organisers.</i>
<p>* The FIBA Digital Scoresheet (DSS) is used in all FIBA Europe international games and tournaments. This is a computer software programme which produces an onscreen scoresheet which is then printed. This method of completing the scoresheet will not be discussed further in this manual however this software can be downloaded from <a href="https://fibaeurope.mangospring.com/sf/iytFKVEk4Gz1">https://fibaeurope.mangospring.com/sf/iytFKVEk4Gz1</a>, and the accompanying User Manual, supplied by FIBA, can be found downloaded from <a href="https://fibaeurope.mangospring.com/sf/aOLK_KrbeLjV">https://fibaeurope.mangospring.com/sf/aOLK_KrbeLjV</a>.</p> <p>In order to obtain a permanent licence key for the FIBA Digital Scoresheet, contact your National Instructor or your National Governing Body.</p>

# EXAMPLE SCORESHEET 2A, B, C and D

## Commissioners V Statisticians

The 4 versions of this scoresheet explore 3 different situations regarding a tied score at the end of the 4<sup>th</sup> quarter.

Example 2A is tied at the end of the 4<sup>th</sup> quarter and requires 1 period of overtime.

Example 2B is tied at the end of the 4<sup>th</sup> quarter and at the end of the first overtime and therefore requires a second overtime.

Example 2C is tied at the end of the 4<sup>th</sup> quarter, at the end of the first and second overtimes and therefore requires a third overtime. This example also shows the process for a game which uses all available space on the BE Traditional Scoresheet and requires the scorer to go back into a previous column.

Example 2D is the first-leg of a two-legged (aggregate score) match, as a result no Overtime is played. Player Technical Fouls are also introduced in these examples.

BASKETBALL ENGLAND OFFICIALS' CUP

② - Game Continuing into Overtime

End of 4<sup>th</sup> Quarter

Should the scores be tied at the end of the 4<sup>th</sup> quarter, overtime(s) of 5 minutes are played until the tie can be broken.

Draw a heavy line under the last entry of the 4<sup>th</sup> Quarter. Note that this is a single line as the game has not ended.

DO NOT draw round any player and coach fouls in the 4<sup>th</sup> Quarter.

Overtime periods are considered as an extension of the 4<sup>th</sup> quarter, so;

DO NOT draw a '=' in any unused team foul boxes

Time-outs however DO NOT carry over into Overtime, so, using the Dark Colour, draw an '=' in any unused time-out boxes

Write the number of points scored in the 4<sup>th</sup> Quarter in the footer at the bottom of the scoresheet

Overtime always begins in the 'Overtime Score' column, so transfer the scores into this column in the same way as half time.

NOTE: The teams do not swap baskets at the beginning of overtime. They remain shooting in the same direction regardless of how many overtime periods are played.

## Example 2A- BE Running Scoresheet

### ①- Time-outs

4<sup>th</sup> Quarter, 1:59

"Team A are granted their first time-out of the second half"

If a team does not use their first time-out before 2:00 remaining in the 4<sup>th</sup> Quarter, they lose their right to this time out.

This is recorded by inscribing an '=' in the first time-out box of the second half, as shown.

### ②- Game Continuing into Overtime

End of the 4<sup>th</sup> Quarter

Should the scores be tied at the end of the 4<sup>th</sup> quarter, periods of 5 minutes are played until the tie can be broken.

Draw a heavy line under the last entries of the 4<sup>th</sup> Quarter. Note that this is a single line as the game has not ended.

Circle the score at the end of the 4<sup>th</sup> Quarter

**DO NOT** draw round any player and coach fouls in the 4<sup>th</sup> Quarter. For the purposes of fouls, all

Overtimes are considered as an extension of the 4<sup>th</sup> Quarter, so;

**DO NOT** draw a '=' in any unused team foul boxes

Time-outs however **DO NOT** carry over into Overtime, so, using the Dark Colour, draw an '=' in any unused time-out boxes

Write the number of points scored in Period 4 in the footer at the bottom of the scoresheet

② 3.

### ④- Time-outs

Overtime 1, 0:29

"Coach B requests a time-out"

Team B have already used their 1 permitted time-out for this overtime. He therefore cannot be granted another.

### ③- Overtime Minutes

Overtime is considered as a continuation of the 4<sup>th</sup> Quarter, therefore overtime minutes continue from the end of the 4<sup>th</sup> Quarter; minute 1 of OT1 is therefore the 11<sup>th</sup> minute and so on.

② 4.

### ⑤- End of Game Procedures for a Game Requiring Overtime

Completing the scoresheet for a game that required overtime is the same as completing the scoresheet for a game in which Overtime was not required, with the following exceptions:

Write the combined number of points scored in overtime in the footer of the scoresheet, the final score, the Winning Team and the time at which the game ended in brackets after the name of the winning team.

The penalty for a player technical foul in FIBA is normally \* 1 free-throw and possession of the ball.

However, under the IWB Wheelchair Basketball rules, there are circumstances when a player technical foul has a higher penalty (Lifting Fouls). As a result, in a game of Wheelchair Basketball a T<sub>2</sub> or a T<sub>3</sub> is possible.

The only exception to this is during the cancelling of equal penalties, in which there will be no free-throws.

Team Scoring More than 160 Points  
 Very rarely a team may score 160 points in the game, should this be the case, a new scoresheet must be started. In this case: Continue recording points starting at 61 on the second scoresheet.

Complete the header of the scoresheet (this may need to be done after the game has ended)  
 Complete the officials details in the footer  
 Continue to record all fouls on the first scoresheet.  
 At the end of the game:  
 Complete the first scoresheet as with any other scoresheet, also;  
 Ensure the officials sign BOTH scoresheets  
 Complete the scores section, including the winning team, on BOTH scoresheets.  
 Ensure both scoresheets are attached together.

If the game requires more than 3 overtimes, continue recording time-outs underneath the existing 3 Overtime time-out boxes.

9- Completing the Scoresheet for two-legged (aggregate score) match

According to FIBA Rules, for matches played over two legs, no overtime is played should the score be tied at the end of the first leg. In such situations the scoresheet is completed in exactly the same way as any other game however the name of the winning team is entered as '2' in the footer of the scoresheet.

Completing the scoresheet for the second leg of a two-legged match.

Team B: The scoresheet is a record for each individual game, it is the responsibility of the organising body to calculate the aggregate total score for each team. Therefore, regardless of the aggregate score, the name of the team that won the second leg is entered in the footer of the scoresheet.

Example

1<sup>st</sup> Leg: Commissioners 80-75 Statisticians2<sup>nd</sup> Leg: Statisticians 94-92 Commissioners

(Aggregate Score: Commissioners 172-169 Statisticians)

Even though Commissioners won on aggregate score, 'STATISTICIANS' is still entered as the name of the winning team on the scoresheet for the second leg.

# EXAMPLE SCORESHEET 4

## Classifiers V Referee Supervisors

This example is based on an international wheelchair basketball game. It explains a couple of slight differences when completing the scoresheet for a wheelchair basketball game.

A number of new principals are introduced in this slightly more complicated scoresheet. These include: unsportsmanlike fouls, technical fouls on Team Bench Personnel, technical fouls during intervals of play, cancelling of equal penalties and game disqualifications.

### ⑥- Fouls During an Interval of Play

Interval during the 1<sup>st</sup> and 2<sup>nd</sup> Quarters

Fouls during an interval of play\* are recorded in the same way as during a quarter except the minute is recorded as 'IN'.

Interval technical Fouls: **IN<sup>T</sup>**

Interval unsportsmanlike Fouls: **IN<sup>U</sup>**

Interval disqualifying Fouls: **IN<sup>D</sup>**

These are all repeated in the team fouls for the following period.

Interval coach technical Fouls: **IN<sup>C</sup>**

Interval bench technical Fouls: **IN<sup>B</sup>**

These two are **NOT** repeated in the team fouls

\* Intervals of Play are: 20 minutes before the start of the game, 2 minutes between quarters and any overtime(s) and the half-time interval.

\*NOTES\*- A time-out is NOT an interval of play.

All interval fouls except before the start of the game are record in this way.

See Example 4 for Fouls before the start of the game.

### ⑦- Cancelling of Equal Penalties

1<sup>st</sup> Quarter, 8:46

Where two or more fouls are committed simultaneously by members of both teams, equal penalties can be cancelled in the order in which the fouls occur.

For example if technical fouls are called on a member of Team A and Team B at the same time, the penalties can be cancelled †.

Cancelling of equal penalties are recorded in the same way as normal, however in addition a subscript 'c' is also inscribed in the bottom right hand corner of the box.

In this situation, technical fouls are called on A10 and B14 in the 2<sup>nd</sup> minute, this is therefore recorded as **2<sup>T</sup>**.

Double unsportsmanlike fouls would be recorded as **M<sup>U</sup>c**

Double disqualifying fouls would be recorded as **M<sup>D</sup>c**

These are all repeated in the team fouls section for both teams.

Double coach technical fouls would be recorded as **M<sup>C</sup>c**

### ⑤- Player Game Disqualifications

4<sup>th</sup> Quarter, 1:58

When a player receives either his 2<sup>nd</sup> technical foul, 2<sup>nd</sup> unsportsmanlike foul or one technical and one unsportsmanlike foul, that player receives a 'Game Disqualification'. This is recorded by first recording the technical/ unsportsmanlike foul as normal. Then in the next available foul space recording 'GD' (as shown).

If the 2<sup>nd</sup> technical/ unsportsmanlike foul is that player's 5<sup>th</sup> foul, the 'GD' is inscribed in the space immediately to the right of the 5<sup>th</sup> foul box.

### ①- Player Classification Points

For Wheelchair games the classification points for each player must be inscribed onto the scoresheet. On the IWBf International Scoresheet, no licence numbers are entered, this column is instead used to enter the player's classification.

### ②- Coach Technical Fouls 1<sup>st</sup> Quarter, 3:52

A coach technical foul is recorded by writing 'C', followed by the number of free-throws, in this case **C<sub>1</sub>**.

A coach technical foul is **NOT** counted towards team fouls.

### ⑧- Losing 1<sup>st</sup> Time-out of 2<sup>nd</sup> Half 4<sup>th</sup> Quarter, 1:50

If a coach does not use his 1<sup>st</sup> time-out of the 2<sup>nd</sup> half by 2:00 showing on the game clock, he will lose this time-out.

This is recorded by marking an '=' in the first time-out space.

### ④- Unsportsmanlike Fouls 2<sup>nd</sup> Quarter, 6:38

An unsportsmanlike foul is recorded by writing 'U', followed by the number of free-throws, in this case **U<sub>2</sub>**.

This is also recorded in the Team Foul Section.

### ③- Bench Technical Fouls 3<sup>rd</sup> Quarter, 3:03

A bench technical foul is recorded by writing 'B', followed by the number of free-throws, in this case **B<sub>1</sub>**.

A bench technical foul is **NOT** counted towards team fouls.

### ⑥- Fouls During an Interval of Play Interval during 1<sup>st</sup> and 2<sup>nd</sup> Quarters

Since the BE Running Scoresheet and the FIBA and IWBf Scoresheets do not use minutes for recording fouls, fouls committed during intervals of play\* are recorded in the same way as during a quarter, i.e.:

Interval technical Fouls: **T<sub>1</sub>**

Interval unsportsmanlike Fouls: **U<sub>2</sub>**

Interval disqualifying Fouls: **D<sub>2</sub>**

These are all repeated in the team fouls **for the following quarter.**

Interval coach technical Fouls: **C<sub>1</sub>**

Interval bench technical Fouls: **B<sub>1</sub>**

These two are **NOT** repeated in the team fouls

\*- Intervals of Play are: 20 minutes before the start of the game, 2 minutes between quarters and any overtime(s) and the half-time interval.

\*NOTE\* A time-out is **NOT** an interval of play.

### ⑦- Cancelling of Equal Penalties 1<sup>st</sup> Quarter, 8:46

Where two or more fouls are committed simultaneously by members of both teams, equal penalties can be cancelled in the order in which the fouls occur. For example if technical fouls are called on a member of Team A **and** Team B at the same time, the penalties can be cancelled †.

Cancelling of equal penalties are recorded by writing the type of foul committed followed by a subscript 'c' in the bottom right hand corner of the box.

In this situation, technical fouls are called on A10 and B14 in the 2<sup>nd</sup> minute, this is therefore recorded as **T<sub>c</sub>**.

Double unsportsmanlike fouls would be recorded as **U<sub>c</sub>**

Double disqualifying fouls would be recorded as **D<sub>c</sub>**  
These are all repeated in the team fouls section for both teams.

Double coach technical fouls would be recorded as **C<sub>c</sub>**

Double bench technical fouls would be recorded as **B<sub>c</sub>**  
These two are **NOT** repeated in the team fouls section for either team- See ③.

† Refer to Article 49 of the FIBA Rules for further clarification

### Double Fouls

There is no penalty for a double foul, therefore double fouls are recorded as  
Double fouls would be recorded as **P** for both players.

### ⑤- Player Game Disqualifications 4<sup>th</sup> Quarter, 1:58

When a player receives either his 2<sup>nd</sup> technical foul, 2<sup>nd</sup> unsportsmanlike foul or one technical and one unsportsmanlike foul, that player receives a 'Game Disqualification'.

This is recorded by first recording the technical/ unsportsmanlike foul as normal. Then in the next available foul space recording 'GD' (as shown).

If the 2<sup>nd</sup> technical/ unsportsmanlike foul is that player's 5<sup>th</sup> foul, the 'GD' is inscribed in the space immediately to the right of the 5<sup>th</sup> foul box.

④ - Fighting Scenario  
4th Quarter, 4:51

A4 and B5's technical fouls are recorded as 6<sup>Tc</sup> since the penalties cancel each other, this is repeated in the team fouls section. A12 is disqualified for fighting and this is recorded as shown in ③. Since B9 has already received 5 personal fouls, the fighting foul is recorded in the space immediately to the right of the 5<sup>th</sup> personal foul box.

Bench technical fouls are charged against both coaches. Since both coaches receive a bench technical foul, these penalties cancel each other. These are therefore recorded as 6<sup>Bc</sup>.

These bench technical also mean both coaches have committed the required number of coach and bench technical fouls to receive a Game Disqualification. This is recorded as a 'GD' in the space immediately to the right (as shown).

\*NOTE\*- The coach and/or assistant coach are permitted to leave the team bench area during a fight to assist the officials to restore order. Therefore, the assistant coach from Team B is not disqualified.

③ - Leaving the Team Bench Area During a Fight or Any Situation Which May Lead to a Fight  
2nd Quarter, 1:50

Substitutes, excluded players or team followers who leave the team bench area during a fight or during any situation which may lead to a fight shall be disqualified for 'fighting'.

This is recorded by writing the minute with a superscript 'F', in this case 9<sup>F</sup> and Fs in all remaining foul boxes (as shown).

Irrespective of the number of people that leave the team bench area a single bench technical is also charged.

\*NOTE\*- This is not recorded as a team foul since the penalty is a bench technical, which are not counted towards team fouls.

① - Fouls Before the Start of the Game	
Fouls before the start of the game are recorded in the same way as during a quarter except the minute is recorded as minute 0.	Technical Fouls: 0 <sup>T</sup>
Unsportsmanlike Fouls: 0 <sup>U</sup>	Disqualifying Fouls: 0 <sup>D</sup>
These are all repeated in the team fouls for Period 1.	Coach technical Fouls: 0 <sup>C</sup>
	Bench technical Fouls: 0 <sup>B</sup>

A4 and B5's technical fouls are recorded as Tc since the penalties cancel each other, this is also recorded in the team fouls section.

Since B9 has already received 5 personal fouls, the fighting foul is recorded in the space immediately to the right of the 5th personal foul box.

# Fighting Situations

Below clarifies the rule regarding fighting situations and how to record these on the scoresheet.

For clarification, fighting is physical interaction between 2 or more opponents (players, substitutes, coaches, assistant coaches, excluded players and accompanying delegation members). This article only applies to the substitutes, coaches, assistant coaches, excluded players and accompanying delegation members who leave the confines of the team bench area during a fight or during any situation which may lead to a fight.

Should any of the above mentioned personnel leave the team bench area they shall be disqualified.

**Only the coach and/or assistant coach** are permitted to leave the team bench area during a fighting situation **providing they intend to restore order**. Should this be the case, they shall not be disqualified.

The penalty for an active fighting situation is a player disqualification foul for fighting (D<sub>2</sub>) and a single bench technical foul with **2 free-throws**, regardless of the number of personnel that leave the bench area. Since these are substitute and bench technical foul, they are **not** counted as team fouls. The penalty for a non-active fighting situation for a substitute is covered under the bench technical foul (B<sub>2</sub>) above. Any excluded players and accompanying delegation members leaving the bench are disqualified and the penalty is a bench technical foul with 2 free throws per individual leaving the bench.

Below outlines a number of scenarios and how these should be recorded.

## 1. Only substitute A7 (who currently has committed 2 personal fouls) leaves the team bench area

# Complex Game Scenarios:

## Default, Forfeiture and Abandonment of Games

Below is guidance on how to complete a scoresheet when a game is lost by default, forfeiture or a game is abandoned.

### General Notes

- ❖ Remember that the scoresheet is an accurate record of the game played.
- ❖ If the game is played, complete the scoresheet ensuring that no further scores, fouls, team list or summary points can be added after the event.
- ❖ Any event which results in disqualifications, forfeit or default wins will also be reported within 48 hours to the Competitions Department, in addition, the Crew Chief is required to write a brief summary on the back of the scoresheet, Article 46.10- FIBA Rules.

### Examples

#### 1) Game does not start due to team only having 4 players 15 minutes after the scheduled tip-off time.

Following Article 20 of the FIBA Rules, the game has been lost by forfeit and the score is recorded as 20-0.

Procedure:

- Complete the scoresheet header and team list for the team which is present.
- A team is permitted to arrive 15 minutes after the advertised tip-off time. At least 10 minutes prior to this time, the scorer shall obtain the starting 5 players and the captain of the team that is present. The coach of this team must then sign the scoresheet.
- If there are more than 4 players from the offending team entered onto the scoresheet, rule through any players who are not present at the game.
- 15 minutes after the original tip-off time, the time at which the game is awarded, the scorer shall:
  - Using the dark colour, rule through any unused spaces in the team list for the team that is present
  - Using the dark colour, write "ABSENT" in the players' names section of the team list of the team that is not present
  - Record the final score as 20 - 0 (or 0 - 20) and record the name of the winning team in the footer and complete the footer information.
  - Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
  - The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

This is shown below:

Note, the scorer is not required **not** rule through the unused fouls, timeout etc. as the game was not played.

See Example Scoresheet 3, for an example of this Complex Scenario.

## 2) Team refuses to re-enter the court to continue the game after been instructed to do so by the Crew Chief.

Following Article 20 of the FIBA Rules, the game has been lost by **forfeit** and the score is recorded as **20-0**.

Procedure:

- As the game has started rule through any unused foul, time out and any unused team list boxes.
- Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as 20 - 0 (or 0 - 20) and record the name of the winning team in the footer and complete the footer information.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

## 3) Team has fewer than 2 players on the playing court ready to play and...

*a) The team reduced to fewer than 2 players are **ahead (or the game is tied)** at the point the game is stopped.*

Following Article 21 of the FIBA Rules, the game is lost by **default**.

Procedure:

- As the game has started, always using the **dark** colour, rule through any unused personal foul, team foul and time out boxes.
- Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as **2-0** in favour of the team who the game is awarded to.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

***b) The team reduced to fewer than 2 players are behind at the point the game is stopped.***

Following Article 21 of the FIBA Rules, the game is lost by **default**.

Procedure:

- As the game has started, always using the **dark** colour, rule through any unused personal foul, team foul and time out boxes.
- Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as the score at the point where the game was stopped.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

**4) Game abandonment**

This covers a game which is stopped prior to the game being completed and includes:

- ❖ injuries to players
- ❖ venue issue
- ❖ for Basketball England Junior National League games, a junior team being unsupervised by a DBS checked adult due to disqualifications

Procedure:

- As the game has started, always using the **dark** colour, rule through any unused personal foul, team foul and time out boxes.
- Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as the score at the point where the game was stopped.
- Record the winning team as the team leading at the point the game is stopped, regardless of any injuries which have led to the game being stopped.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

The organising body will decide on the final outcome of the game or if it shall be replayed.

# Captain Signature Under Protest Procedure

If a team believes that its interests have been adversely affected by a decision of an official or by any event that took place during the game, they are able to sign the scoresheet under protest.

FIBA Rules Section C outlines the procedure in which this is completed and states:

- The captain of the team protesting shall, within 15 minutes of the end of the game, inform the **Crew Chief** that his team is protesting the result of the game and signs the scoresheet in the correct section of the scoresheet. For Basketball England Competitions, the Captain must inform the Crew Chief immediately at the end of the game that he wishes to sign the scoresheet under protest. He must then physically sign the scoresheet within 15 minutes.
- In order to make this protest valid, the official representative of the team (of national federation in the event of international competitions) must give confirmation of this protest **in writing** to the organising body (FIBA in the case of an international competition). It is sufficient to write:

*[Name of team protesting] wishes to protest against the result of the game [include match number, if applicable] between [Home team] and [Away team] held on [date].*

- In the event the protest is rejected, the protesting team must deposit the required amount to the organising body or FIBA representative/ President of the Technical Committee during international games
  - Within 1 hour following the end of the game the team must submit its protest to the organising body.
- 

## Notes for Officials

It is important that officials are fully aware of the procedures outlined above in the event this occurs at a game they are officiating. Below is some further important additional information for officials to be aware of.

- **Only the playing captain (who must not have been disqualified during the game)**, is eligible to sign the scoresheet under protest. In the event of the captain nominated by the coach prior to the game being disqualified, the new captain as nominated by the coach may sign the scoresheet under protest.
- The **Crew Chief** must submit a detailed report to the organising committee within **1 hour of the end of the game**.
- It is important that the officials make a note of the time at which:
  1. The game ends, which will be included after the name of the Winning Team
  2. The captain signs the scoresheet under protest
  3. The Crew Chief submits his reportas all of the above may affect the validity of the protest.

Officials are **not** required to make a note of the protest on the scoresheet. It will be apparent that a team has protested due to the captain's signature under protest and the reports and correspondence to the organising body.

# Amendments

Occasionally it is necessary to make changes to the way table officials carry out their roles, including completing the scoresheet. These changes occur for a number of reasons including: amendments and additions to the FIBA Rules; changes made by the FIBA Table Officials Development Group; or changes to mechanics.

## Clarifications

We try and make the information within this manual as clear and unambiguous as possible, however occasionally questions and scenarios arise which are not covered and require clarification. Below is a list of scenarios that we have been asked to clarify.

Basketball England Running Scoresheet, FIBA and IWBF Scoresheets  
On the running and international scoresheets, always rule off at the **bottom of the column.**

There is, therefore, no need to draw a diagonal line to rule through any remaining rows if this occurs at the end of the game.
