WELCOME

Dear Athlete,

Thank you for expressing an interest in the sports scholarship scheme at the University of Worcester.

It is recommended that aspiring student athletes of the University of Worcester read through the information carefully before submitting an application.

Should you wish to apply for a scholarship we will require further information from you, including personal details, video footage of you performing/competing, an overview of your financial outgoings directly associated with high performance sport and a supporting letter from your current lifestyle advisor or performance director/coach.

The University of Worcester is dedicated to supporting talented young athletes in a range of sports. Should you require any further information please contact Hannah Crowther on 01905 542323 or h.crowther@worc.ac.uk

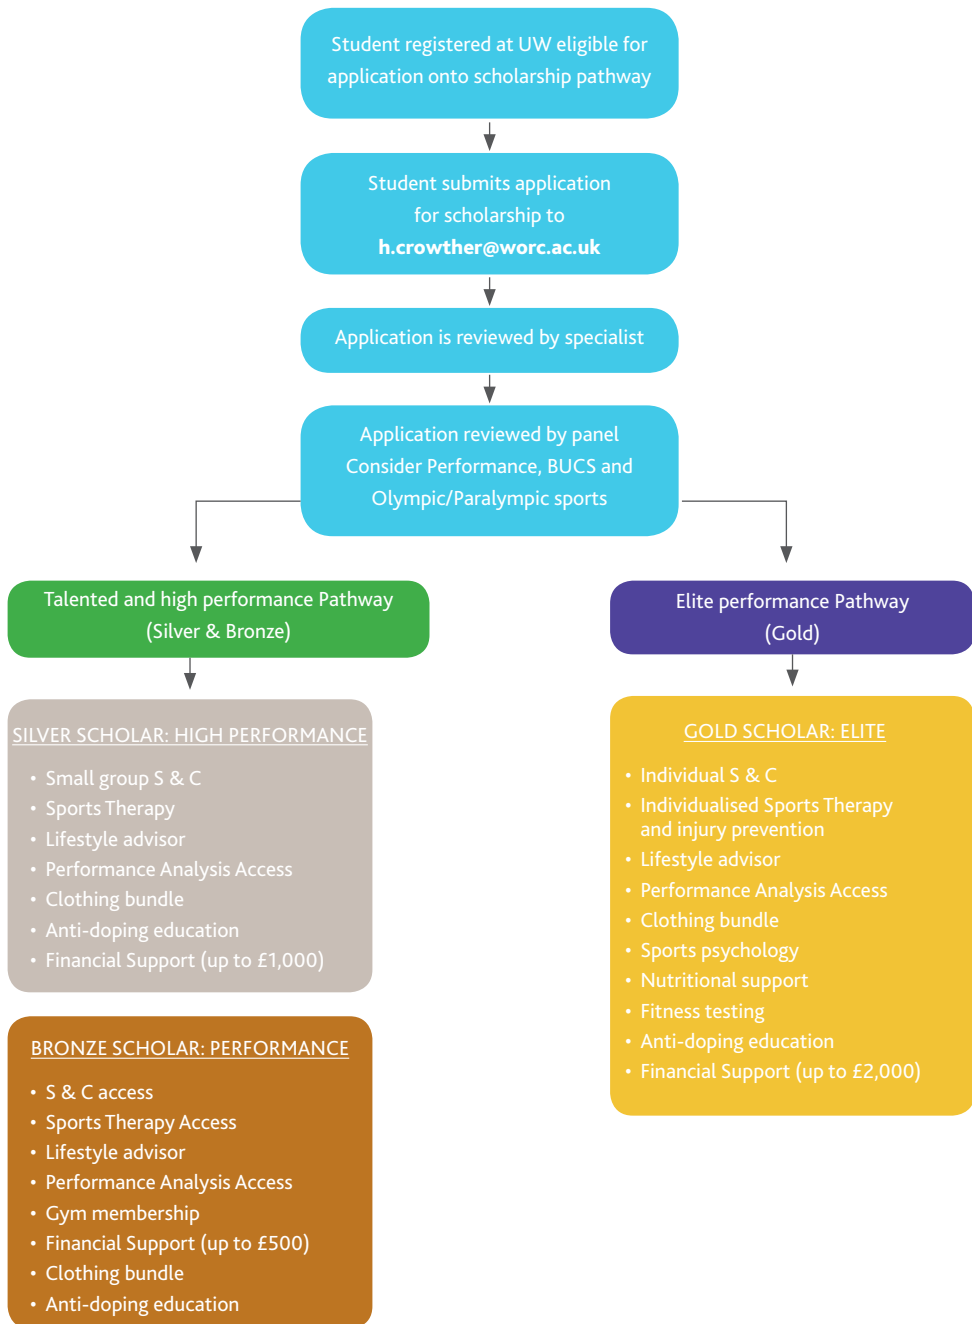

We look forward to receiving your application.

Best wishes,

SCHOLARSHIP AGREEMENT

ELIGIBILITY FOR SCHOLARSHIP

I understand that to be eligible for the sports scholarships programme I must be a full or part time undergraduate or postgraduate student at the University. I understand that to be successful in my application I must provide evidence showing potential for elite international performance as well as contributing to the UW BUCS teams and/ or championships. I acknowledge that applications will be renewed on a yearly basis. Continuation on the scheme will be the result of making pleasing progress in both academic studies and sporting performance. Applications will be reviewed by an expert panel.

TERMS OF SCHOLARSHIP

Any athlete successfully accepted onto the scholarship programme will be expected to compete in BUCS leagues or Championships where feasible. Failure to commit may result in loss of scholarship. Athletes on the sports scholarship pathway will be expected to commit to publicity, marketing and ambassadorial work within the University whereby an athlete must commit to a minimum of one. Failure to do so may result in loss of scholarship.

LOSS OF SCHOLARSHIP

I accept that the University reserves the right to withdraw my place within the sports scholarship programme where behaviour is displayed which brings the University of Worcester into disrepute, including inappropriate doping activity in accordance with WADA and UKAD, anti-social behaviour or racial/homophobic defamation. Athletes are expected to attend all appointments made within the service delivery of the scholarship programme. If an athlete fails to attend without giving the service provider adequate notice three times or more, the University of Worcester reserves the right to withdraw the scholarship. Athletes must understand that they are at university to study and therefore are expected to attend lectures when able to, failure to do so may result in loss of scholarship.

I understand that if I provide inaccurate information in support of my scholarship, which is subsequently found to be incorrect, the University of Worcester reserves the right to withdraw the scholarship. Additionally, should I withdraw from my sport the University reserves the right to withdraw the scholarship. Furthermore if any scholarship monies have been received in these circumstances I agree to pay back to the University the full payments received, within 90 days of being notified of the requirement to do so.
